Y. ASVATHANARAYANA RAO,
Superintending Engineer.

HEADQUARTER RANGE, MYSORE.

Abstract Notification.

Reference is invited to the notification calling for tenders for the construction of South Fort Gate with wings at Mysore, published in pages 1002—1003 of the *Mysore Gazette* dated 14th November 1918.

GURU RAO SIRSI,
Assistant Engineer.

MYSORE DIVISION.

Abstract Notification.

The attention of the public is invited to the detailed notification published in page 1017 of the *Mysore Gazette* dated 21st November 1918, wherein sealed tenders are called for, for improving second class travellers' bungalow at Somanahalli, Mandya Taluk.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 16th December 1918 for metalling the forest road from Vombhathu Hunase to Budipadaga in Chamrajnagar Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1919.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. to 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

Description of work	Unit of work quantity	Rate per unit
Collecting and stacking rough metal	C. yd.	2,460
Collecting, breaking and stacking metal	,,	1,680

4. Each tender must be accompanied by a deposit of Rs. 150, in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Metalling the Forest road from Vombhathu Hunase to Budipadaga in Chamrajnagar Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

A. PUTTUSWAMIAH,
Executive Engineer.
